

# Benwick Butterflies

I'm afraid this newsletter starts with a few moans and groans, so lets get them out of the way.

1. Can the committee remind parents/guardians that we do not allow cars up the gravel driveway. This is for the children's safety, the children in attendance are more then able to slip out of adult hands and into the path cars. It is not worth the risk!

2. Can we remind parents/guardians that the new opening times are 9am to 11.30am. We can all occasionally run a little late but **PLEASE** can we try and be prompt when dropping off and collecting the children.

3. When signing the snack rota can we all please record the date and store the items have been purchased from as we have to keep this recorded to comply with Health and Safety procedures.

4. Fees! We have tried as a committee to accommodate individuals need by offering weekly, monthly and half Termly payments but these seem to be being abused by some. We must remind you that the pre-school is not in a position to give the service before payment. If you do have an agreement

with the treasurer please can you honor it or we will be forced to remove such luxuries and insist on half termly fee payments. To those of you that pay your fees when requested, thank you. Can we also remind everyone that fees are not to be given to staff as they are not allowed to take it. Please give fees to Suzanne, please note fees are left in Suzanne's children's tray at payees own risk!

Few, that's over.
