Benwick has three wheelie bins, the Blue and Green are collected together one week, and the Brown bin is collected the next. Collections are on a FRIDAY

If you need compost for your new garden... you can collect it free of charge from Donarbon, Algores Way, Wisbech. You need to take your own shovel and bags. Normal opening times are: 8am-12 noon and 3pm-4pm Monday to Friday, 7am-1pm on Saturday. This is the compost made from the BROWN BINS!

While into your blue bin you can put cans and newspapers, you cannot put glass, to recycle your glass visit the bottle bank in the Car Park for Chapel Gardens, which is accessed from the High Street near the bus shelter!
