

Twenty Questions **Jenny Fell**

Each month a different villager will have Twenty Questions asked to them.

November 07 was Jenny Fell, she is the chair person for the Benwick Butterflies and also works at Benwick School. Her Mum and Dad used to run the Five Alls

1) Why would people of Benwick know you?

People would probably know me for a number of reasons. First being the fact I used to live at the Five Alls with my family, second as working at the Breakfast Club and Benwick Primary School - lastly being the Chairperson of Benwick Butterflies

2) What is your earliest memory of Benwick?

My first honest memory of Benwick was driving into it for the first time and thinking where am I, is this really a High Street! Moving here when being used to large towns and cities was like entering a different planet. It is quite strange that what I disliked about the village then is exactly what I love about now.

3) Favourite Band / Singer?

Loose Baby Charlotte, you should check them out on Myspace!!!!

4) Marmite: Love it or Hate It?

I love it!

5) What do you like to do in your spare time?

If I'm really honest, nothing! When I've finished my day at school I come home and have to get on with pre-school bits and pieces so on the odd occasion that spare time exists I like to be at home relaxing.

6) What is the last book you read?

Harry Potter and the Deathly Hallows

7) Favourite holiday destination?

I know it's quite sad but I like to be at home. My family live all over the place these days so during the holidays I like to go visit them.

8) *What is your favourite hobby?*

I really like music and films. I spend a lot of time listening to music, my CD collection is getting a little out sized, I really need to get into iTunes abit more. I love the cinema, but I don't get to go as much as I'd really like.

9) *What is your favourite thing about Benwick?*

I like the fact that I can come home and look over the fields, the views out of my upstairs windows are amazing, I find Benwick very peaceful and quiet but not too far away from places like Peterborough and Huntingdon.

10) *What is the first thing you would buy if you won the lottery?*

A mini cooper.

11) *What made you get involved with the Benwick Butterflies?*

Madness I think! They needed committee members other wise the pre-school wasn't going to have a committee and isn't able to run without one. I signed up as secretary later taking over as Chairperson, thinking it wouldn't be all that difficult, ha ha ha! What a fool I was!

12) *Where is the worst place you have lived?*

I've really liked everywhere I've lived so I don't really think I can answer this question, sorry.

13) *If you had £500 to give to charity - who would you give it to and why?*

I would give it to Benwick Butterflies because we need it.

14) *What item could you not live without and why?*

My computer, I spend half my life on it! If I'm not putting together paperwork for the pre-school or the breakfast club I'm on Facebook talking to friends near and far.

15) *Do you think Benwick has any major problems, if so what are they?*

I really love living in Benwick, I think it has alot to offer the community.

16) *Tea or Coffee?*

Tea

17) What made you move to Benwick?

My Mum and Dad bought the Five Alls, I'd lived in Surrey all my life and just fancied something new.

18) What was the last thing you bought?

I've just started my Christmas shopping so the last thing I bought is a secret!

19) Favourite Cereal?

Coco pops.

20) What would you like to be remembered for?

I would like to be remembered for being a good mum!
